Television News

Most locals think I've disappeared. I have, sort of....

Right now I'm in preproduction for the HD version of Give Your Walls Some Soul. We are shooting an entire season this spring. That's 13 episodes! That means among other things, I'm creating 13 paintings for the show before we ever start taping. I'll be filming at the Digital Media Factory in April. I'm still taping my access show at CMAP. So, right now I'm doing double duty.

As for distribution, I am currently pursuing foreign distribution. I've been in talks with a distributor in London and it's promising. Stay tuned!

"Give Your Walls Some Soul" is now airing on stations around the country!! **Click here** to see if we're in your neck of the woods!!!

If you missed my show on TV, DVDs of each episode are available at my web site. **They make wonderful gifts!**

And for those of you out of our viewing area, please ask your local station to carry our show! You can also see a few videos on **Google Video**

Workshops / Seminars / Coaching

The Rediscovering Your Creative Self workshop at St. Francis Retreat was phenomenal! I really enjoyed the people in the workshop and the entire experience. The staff at St. Francis provided an excellent customer service and the perfect environment to nourish one's creative spirit. Special thanks to Ed DeGroot and Father Barry. I'll be back. Visit **www.stfrancisretreat.com** for more information about this special place.
