### Painting News

Thanks so much to the Los Gatos Art Association for a warm welcome! I always have fun when I perform a demo there. For the rest of the story regarding the demo, [visit my blog](#).

This month, I'm ditching the brush and painting with a knife. Knife work always loosens me up and takes my work to a whole new level.

Still painting with the brush on some very small and lovely landscape pieces (4" x 6"). They make a great wall grouping and they start at \$150.00. They make a wonderful gift for the person who has everything.

Now's a good time to purchasing an existing work or a commission....something special for the holidays. And now's the time to do it as you'll save 10% of all original artwork and commissions through the end of the year!

To see works in progress, [please visit my blog](#).

### Monkey Made of Sockies

Monkey Made of Sockies is on a roll! He may be featured in a major television network's gift guide. Speaking of television, he's also in the running for an appearance on a hit television crime show! If selected, it won't just be a cameo...he'll be an integral part of the storyline. I've been sworn to secrecy so that's all I can say on the matter.....for now. Stay tuned!

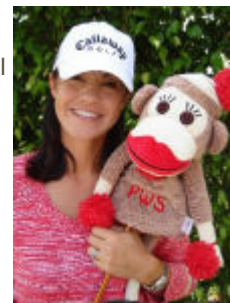

LPGA Pro, Leta Lindley, continues to champion Monkey Made of Sockies and help kids with Prader-Willi. Both Daphne's Headcovers and myself have teamed up with Leta to help these kids. We give a percentage of each MMOS sold to help children with Prader-Willi Syndrome. If you'd like to help by purchasing a MMOS headcover, visit [Daphne's Headcovers](#) today!

And don't forget the wonderful [Monkey Made of Sockies children's book](#). This beautiful book makes a great gift!

This month has been one of tremendous growth for the distribution of *Give Your Walls Some Soul*. First, we were picked up by the Coastal Television Network. A huge thanks to Larry Talbot for the referral and to network owners Gary Cocola and Juliana Cocola for airing our show.

Second, I was down in Garden Grove pitching the show to the folks at SCAN NATOA's Swaparama and I'm pleased to say that 14 stations signed up to air the show. I'll have a complete listing on the site very soon. Thank you so much to Robin Gee for your support.

Our current show, *Give Your Walls Some Soul*, is now in it's 7th season. Thus far, we have produced over 70 wonderful episodes and are still going strong. It is shown in about 10 million households. If I'm not in your town, know that I am working on it!

I'm still developing an exciting HD series. At present, we have a number of sponsorship opportunities available. To find out how you can be a part of this new show, visit [my website for more information](#).
